Mattress Seaming

CONSTRUCTION

This infinity scarf is knit in 1 piece. It is knit in the round using a circular needle. By using a stitch marker to indicate the beginning of each row, you will easily know where to change yarn colour as per the pattern instructions. When you finish the striping pattern, you will have one long tube. It is important that you bind off loosely so that mattress seaming the two ends together will be easier. Once the cast on edge is seamed to the bound off edge, your scarf is finished! Feel free to lengthen or shorten as you like!

PATTERN

With YARN A, using the Long Tail Cast On, CO 64 sts. Place a stitch marker to indicate the beginning of the row.

While knitting in the round, work the following Colour Patterns (defined under Abbreviations) in the following order:

Work Colour Pattern 1 - 84 rows

Work Colour Pattern 2 - 84 rows.

Work Colour Pattern 3 - 61 rows.

Work Colour Pattern 1 - 84 rows.

Work Colour Pattern 4 - 61 rows.

Work Colour Pattern 2 - 84 rows.

Work Colour Pattern 5 - 80 rows.

When you have finished all of the above you will have a long tube - 538 rows.

Bind off loosely.

Finishing

Now you will want to join the cast on edge & the bound off edge together. You will do this using mattress stitching. Make sure to line up your long tube so that there are no twists in the tube when you join the two ends.

Weave in all ends & block to shape.
